Are you worried about your child's academic progress in school?
Yes
Speak to your child's class teacher about your worries. They will:
• listen to your concerns
• agree what needs to happen next
• arrange a time to review the outcomes of what has been put in place.
Review meeting to review progress against actions and targets and agree
Progress is being made—continue plan, do, review cycle.
Still concerned. Some more specialist help is needed.
Class Teacher will arrange a meeting with parents/carers and the school SENCo.
We will agree the next steps. This may include some of the following:
• some extra help in school
• referral for some support at home
• referral for other agencies to be involved, such as Speech Therapy, Schools and Families Specialist Service, Bassetlaw Primary Behaviour Partnership or the Healthy Families Team.
Review meeting to review progress against actions and targets and agree next steps.
Progress is being made—continue plan, do review cycle.
